CLIFF HANGER

THE GAME

- CLIFF HANGER, the game that keeps you on the edge of your toes. By controlling the joystick and the action buttons you determine the fate of Cliff, a lovable uncouth and his quest to rescue one beautiful breathtaking lady.
- But one mistake and you've blown it.
- Will Count Drayco strike the first blow?
- Will the princess be forced to marry someone she can't stand?
- Will Cliff get stuck in a trapdoor for the rest of his life?
- Or will our inventive international hero leap to the rescue only to be caught hanging around again?
- Whether Cliff continues his fight to give hope to the helpless is in your hands.
"Good luck."
